"Sak Yant" - Magic Buddhist Tattoo from Wat Bang Phra

WAT BANG PHRA

is a Buddhist temple in, Nakhon Pathom Province, about 50 km west of Bangkok. Is famous since the year one for the magic Tattoos, called Sak Yant or Yantra Tattoos. Those holy tattoos gives the wearer protection from evil, strength, luck and other magical features, because the holy monks blesses the tattoos and they breath life into them. We like to offer you a special magic Tattoo travel to Wat Bang Phra, to the famous Tattoo Master. He will etch you a magic Tattoo in the traditional way, bless your Tattoo and breath life.

Wat Bang Phra

Phra Pathom Chedi

SAK YANT TATTOS

The script used for designs is a mixture of ancient Khmer script and the Buddhist Pali script. These magic Tattoos were etched in the traditional way, that means the monk uses an about 50 cm long stick, which hastates into a needle. Then he etches the Tattoo by his hands. A Tattoo is made out of more then thousand stitches, which gives a thin line. The completion of a traditional Tattoo takes about 15 to 45 minutes, depending on the size of the Tattoo. Normally selects the subject of the Tattoo, depending on the wearers aura.

TWO CATEGORIES OF MAGIC TATTOO

1. The tattoo by oil. The oil that tattoos are very popular because of the tattoo by the body to see no pattern. When the tattoo heals it will scab meat homogeneous.
2. The tattoo by ink of a tattoo needle. His attempt to press some skin to stretch. Tattoo needles, and then stabbed the image is printed. Here chooses many designs, which is a strong protection Tattoo. The wearer of this Tattoo is protected by spells, bad words and bad thoughts of other people.
